Thanks for this. I did read it before our meetings with Mark & Jerry. When will DWR send us their comments? How many bites at the apple do you think they need? When should we be targeting a "sign on" date?

Best
Paul

Paul - I left a long message for Karen, so she can fill you in. Nothing major or showstoppers. They want to clarify "what's in and what's out" and make sure the table of BDCP actions reflects everyone's common understanding. But those are do-able issues.

So unless you guys come up with some policy problems, I think the MOU itself is a pretty quick resolution.

I hope to check in with Mark/Jerry this afternoon on MOU. Did you get any update or did anything material surface from DWR Counsel?

Best,

Paul
